ressenti le rapport à l'autre ce lien d'une extrême confiance entre deux êtres sans que cela soit forcément sexuel pour autant cette unité retrouvée entre corps et esprit ce n'est qu'en 2015 que j'ai ressenti le besoin d'introduire la suspension ce rapport à la gravité cette sensation de l'espace comme une libération c'est alors que j'ai revu mes techniques dans un souci de sécurité accru le risque de blessure est plus important quand on joue avec la gravité j'ai élargi alors ma pratique avec une contorsionniste des pratiquants et professeurs de yoga entre autres je suis passé de l'esthétique au ressenti à ce que l'on appelle maintenant la connexion aujourd'hui je dirais que l'esthétique est une conséquence heureuse d'une belle séance et que comme dans un tango elle est le résultat d'une interaction c'est donc dans cet esprit que cet ouvrage a été rédigé même s'il est essentiellement consacré aux techniques de base et que j'oriente mes cours particuliers et mon cursus

i started shibari in 2003 after discovering araki's photographic work so i started with a purely aesthetic approach using notions of hojojutsu that i had apprehended with martial arts only on the ground it's as my practice progressed over the years that i discovered the other aspects of shibari and in particular the feeling the relationship with the other this link of extreme trust between two beings without it being necessarily sexual this unity found between body and mind it is only in 2015 that i felt the need to introduce suspension this relationship to gravity this feeling of space as a liberation that's when i revised my techniques in order to improve safety the risk of injury is greater when you play with gravity i then expanded my practice with a contortionist yoga practitioners and teachers among others i went from aesthetics to feeling to what is now called connection today i would say that aesthetics is a happy consequence of a beautiful session and as in a tango it is the result of interaction it is therefore in this spirit that this book is written even if it is essentially devoted to basic techniques and that i orient my private lessons and my program
